About US

ALOL Logistics Company Limited is registered as a private limited company in Tanzania (under the companies Act, 2002 of the law of Tanzania) We have licensed by the Tanzania Customs Service's providing Clearing and Freight Forwarding services in Tanzania. We are a client-centered clearing and forwarding company that is passionate about serving its clients with excellence in meeting their unique needs by providing end to-end (source to destination) services of the logistics and clearing value chain.

The concept of Freight forwarding may seem complex and foreign to most but at ALOL Logistics Company Limited, We ensure that the flow and management of the consignment, warehousing, processing, deployment, transportation, tracking and storage services is not only seamless for our clients but also simplified.

Not only are our services being tailor-made to suite our clients' needs, but are rendered with diligence and

passion. as we keep our clients at heart and endeavor to be responsive and proactive at all times.

Our company is a perfect fit for clients in the manufacturing business, mining industry, general traders and any operation that requires the transfer of goods and equipment around the globe and within Tanzania.

ALOL Logistics Company Limited takes an approach of individualized service with cost savings. There is no client too big or too small to us, We strive for heightened compliance to all customs regulations and competitive rates.

Our Vision

To be the preferred choice for clearing and forwarding service provider in Tanzania.

Our Mission

To provide logistics solutions above customer expectation, focusing turnaround time, performance optimization and effective communication.

OUR SERVICES

Freight Forwarding

We offer international and domestic air, road and rail freight forwarding services. Handling small to large shipments with professionalism, we strive to meet all our clients' global freight forwarding needs within Tanzania and around the world.

Our approach is to provide tailored solutions that are built around the client's specific requirements.

Customs Clearing

Our team is able to deal with all types of customs clearance at ports of entry and exit. We take care of all relevant documentation, customs examination, facilitate payments of duty and arrange delivery once the cargo has been cleared.

Our Services

Export Management

We manage all required export activities to coordinate the international shipment of goods.

Our competent staff handle the negotiations and complex administrative tasks on our client's behalf to facilitate their participation in international export markets with ease.

Transit Cargo Management

We guarantee speedy and safe passage of goods through Tanzania to other tax jurisdictions. Our company arranges transit bonds and enables duty-free transit of goods through Tanzania so the cargo can reach its international destination hassle-free.

Our Services

Trucking and Commercial Distribution

We partner with most trusted carriers to deliver both heavy and lighter cargo across Tanzania, eliminating our customers' need to own and maintain their own costly fleet and staff. Assistance with distribution of commercial products within Tanzania is also part of service offering.

Bonded Warehousing

By providing access to bonded warehouses and providing Removal In Bond (RIB) and Removal In Transit (RIT) services for clients, we facilitate the temporary storage and movement of imported goods.

Our Services

Custom Consultancy

In an era of rapidly emerging global markets, tight budgets and scarce resource; maintaining compliance with customs requirements while minimizing duty and related charges is critical to maintain a competitive advantage.

Our detailed, non-intrusive reviews of your organization's import and export activities will identify potential savings opportunities and recover overpaid duties.

ALOL Logistics Company Limited will prepare and secure favourable customs rulings prior to submitting refund requests, thus protecting your compliance with customs regulations.

Value-Added Services

Packing & Removal: We have experienced and professional packers with a unique way of packing and crating your cargo. You can be assured of the safety of your goods even for the most fragile and delicate items. Diplomats and individuals relocating can have a peace of mind with us.
